

Foliage

Maine produces beautiful foliage during the autumn months, making for very scenic drives. Here is a popular route to take to catch great views. Also, check out www.state.me.us/gov/doc/foliage for a map of locations in peak foliage.

Take U.S. Route 1 east into Damariscotta... in Damariscotta pick up Route 130 south, which will travel through New Harbor and onto Pemaquid Point.

After stopping at Pemaquid Point State Park, travel back on 130 into New Harbor and onto Route 32 north.

Take Route 32 north into Waldoboro, and make a right on Main Street. When you reach Route 220, head south into Friendship, and in Friendship take Route 97 north and east into Thomaston. In Thomaston, take U.S. Route 1 north which will wind its way through Rockland and into Camden.

Once in Camden, take the drive up to the top of Mount Battie and enjoy the panoramic view of Penobscot Bay. Head back to U.S. Route 1 and continue on to Lincolnville.

In Lincolnville, take Route 173 west into Lincolnville Center, where you will pick up Route 235 South. Continue on 235-S into Hope, and then take Route 105 north to Route 131, which merges with 105. Continue south on 105 and 131, and drive through Appleton, then pick up Route 17.

Take Route 17 west to Stickney Corner, then Route 220 south to Route 126. Take 126 southwest into Jefferson, where you will pick up Route 213 southwest, and then Route 215. Take Route 215 northwest to Route 194, and Route 194 northwest into Head Tide.

Once in Head Tide, bear left to cross the river on a local road. On the other side, get on Route 218 south, which will take you back to Wiscasset & Edgecomb.
